

Empowering all Hindus to their true potential through Inner Awakening program

By the authority vested in me as The Supreme Pontiff of Hinduism and the Head of State of KAILASA, The Living Representative of Paramashiva, by the Constitution and the laws of Sanatana Hindu Dharma as ordained by Paramashiva in Vedas and Agamas, it is hereby ordered as follows:

Section 1. Purpose. My administration and KAILASA is committed to provide the superconscious breakthrough to all Hindus with a true awakening to realise their highest potential. Inner Awakening is about going beyond the normal happiness and pain, and awakening the unknown hidden potential energy that creates and bolts a powerful shift in consciousness, permanently.

This irreversible transformational process is a modern expression of the ancient Vedic Science of Enlightenment dating back to ten thousand years. Originally by nature, Hindus are wired for enlightenment. Thousands are discovering a phenomenon of quantum awakening. When inner awakening happens, the higher emotions happen in the being. There is an extraordinary potential hidden inside every being, when awakened it shifts to a higher plane of consciousness, beyond the limitations of the human body -mind.

Inner Awakening is a 21-day spiritual transformation program through yoga at all levels of body and mind. Deriving various techniques and processes from the Vedic scriptures and teachings like Patanjali Yoga Sutras, Hatha Yoga, Gheranda Samhita, Inner Awakening® offers a powerful awakening of the Kundalini Shakti, one's inner potential, through meditation, spiritual processes, yoga, pranayama, kriyas, and the powerful Paramashivoham process.
