

Promoting Hindu Traditional Immunization Practices to Care, Heal & Prevent CoVID-19

By the authority vested in me as The Supreme Pontiff of Hinduism and the Head of State of Kailasa, The Living Representative of Paramashiva, by the Constitution and the laws of Sanatana Hindu Dharma as ordained by Paramashiva in vedas and agamas, it is hereby ordered as follows:

Section 1. Purpose. My administration and Kailasa is committed to spiritually enrich and enreach the Hindus around the world to support them during this COVID-19 outbreak. Coronaviruses are a deadly group of viruses largely circulating among animals but due to their zoonotic nature – ability of transmission of viruses between animals and humans – they pose a huge threat to humanity, therefore, introducing the technique of Pacha pattini Vratham from the vedagamas that will protect and spiritually heal the world from the coronavirus.

During this COVID-19 pandemic the Federal Government of Kailasa has dedicated thousands of hours to spread the groundbreaking revelations of traditional practices and immunization technique of Pacha Pattini Vratham to augment one's immune strength drastically. This technique of Pacha Pattini Vratham is designed for Hindus to make the body a medium for Paramashiva and Parashakti to manifest and heal the entire world from COVID-19.

Sec. 2. Policy. It is the policy of the Kailasa Nation to spread this sacred traditional technique to help all the practising Hindus in these challenging times.

Pachapattini Vratham is practiced in Hinduism as a method of cleansing, introspection, prayer and meditation. It is traditionally started immediately after the festival of Masi Magham (February - March) in Samayapuram, Tamil Nadu, India. The Mariamman temple in Samayapuram, (Tiruchirapalli) is the source temple for all Mariamman temples where Devi herself starts the Vratham

 - iii. neer more (liquid buttermilk)
 - iv. tullu mavu (ground raw rice with jaggery)
 - v. sugarcane pieces
 - vi. coconut water
 - vii. fruits in meagre quantity
 - viii. Laying out a comprehensive process for all the interested Hindus and the schedule of the Holy fast.
 - ix. Developing educational measures to increase awareness on the need for traditional medicine, the need for Hindus to adapt to traditional practices and practice the science of Paramashivoham.
- b. Increase the accessibility of Kailasa's digital services, from registration to practice of the holy fast followed by the care and well being of all the practicing Hindus
