

# Will of the Hindus shall Decide the Future of Hinduism.

By the authority vested in me as The Supreme Pontiff of Hinduism and the Head of State of Kailasa, The Living Representative of Paramashiva, by the Constitution and the laws of Sanatana Hindu Dharma as ordained by Paramashiva in Vedas and Agamas, it is hereby ordered as follows:

**Section 1. Purpose.** To establish the voting structure of the Federal Government of Kailasa's Hindu Parliament, introducing the system and the criteria for the voting rights for all the Hindu citizens. Article 21 of the Universal Declaration of Human Rights of the United Nations states that everyone has the right to participate in the government. The people's will shall be governmental authority. The peoples will be implemented in periodic and genuine universal elections. Equal suffrage and shall be held by secret ballot or by equivalent free voting procedures. Reserving the fundamental human rights of each Hindu, Kailasa recognizes that all the initiated Hindus shall have the authorization and freedom to exercise their right to vote.

Anubhava Mantapa was the first hindu parliament in the history of mankind, elucidating the corroboration of the current Hindu parliament of Kailasa. This parliamentary house dealt with the myriad of issues pertaining to social, religious, spiritual, yogic psychological, economic and literary spheres, furthering with the human values and ethics. Every court hearing was systematically structured and implemented to record and preserve the proceedings of the house. The members and governance of the first Hindu Parliament were given the complete liberty to exercise their thought, speech and action.

The Kailasa's Hindu parliament is being revived as a prominent component of sanatana Hindu Dharma by the federal government of Kailasa, reconstructing the Hindu parliament with the base being the core principle of Responsible Democracy, where all Kailasa citizens are informed, introduced, and involved in different fields and given voting rights. The Federal Government of Kailasa is taking this opportunity to bring forth the issues about Hinduism. Hindus will decide Hinduism's future through the voting system. Hinduism's collective self-rule shall be established and fostered through a free, fair, accessible, and secure voting system through which the Kailasa government will hear the voice of every eligible Hindu.
