**Nithyananda Meditation Academy**  
**Hindu Heritage Month**

As the Member of Parliament for Markham—Thornhill, I am happy to extend warm greetings to the Nithyananda Meditation Academy on the occasion of your Hindu Heritage Month celebrations.

While COVID-19 prevents us from gathering in person, I am thankful for organizations like the Nithyananda Meditation Academy that go above and beyond to connect the Hindu community virtually.

This month — and every month — marks a time to celebrate the great accomplishments of Hindu Canadians and the role they have played in Canada's vibrant and inclusive identity. It is events like this that help preserve the Hindu culture and heritage and teach the next generation.

The Nithyananda Meditation Academy's resilience, passion, and dedication illustrate that Canada's strength is the diversity in our leadership, communities, and cultures. Let us continue to work together and build a Canada we are all proud to call home.

Thank you Nithyananda Meditation Academy and the organizing committee for your quick response to the realities of COVID-19 and finding new ways of bringing us together.

Sincerely,

A handwritten signature in black ink that reads "Mary Ng".
