Makuṭāgama - Kriya Pada

Foreword:

The Supreme Pontiff of Hinduism and the Head of United States of Kailasa, The Living Representative of Paramashiva, His Divine Holiness Bhagavan Nithyananda Paramashivam has formulated KAILASA'S Hindu Compliance System to create, promote, spread and teach the standard procedures for all products and services that are in compliance with Hindu Scriptures. Hinduism has detailed procedures, standards, methodologies for everything. Hinduism is a rich religion with vast choices, It educates and empowers, has a non-restrictive, enlightening and empowering set of Principles to produce and use any product. KAILASA's Hindu Compliance System is working towards recognising the needs of two billion Hindus around the world and therefore works towards compiling the standards, and policies such as - economic policy, religious policy, spiritual policy or strategies or any products and services, as give by Paramashiva in Veda-Agama. KAILASA's Hindu Compliance System will work towards bringing innovation and provide solutions to global challenges by bringing together the various standards, procedures, and guidelines revealed in Hindu Scriptures. Through this System KAILASA will bring together all the experts to compile the standards as per needs of the global hindu diaspora, in accordance with the **Śāstra(Hindu Scriptures)**.

The procedures used to develop this document and those intended for its further maintenance are described in ***Makutāgama***.

Introduction:

This ***Hindu Compliance System*** provides the fundamental concepts, principles for sustainable solutions for quality control & management (QCM) and provides the foundation for other QCM standards. HCS is intended to help the user to understand the fundamental concepts, principles and vocabulary of quality control & management as per hinduism, in order to be able to effectively and efficiently implement a QCM and realise value from other QCM standards.

This HCS proposes a well-defined QMS, based on a framework that integrates established fundamental concepts, principles, processes and resources related to quality as per veda-agama, in order to help Hindu organizations, Hindu businesses, Hindu Service Industries and the Hindu diaspora around the world to realize their objectives. It is applicable to all organizations, regardless of size, complexity or

business model. Its aim is to increase the organization's commitment to dharma and responsibility in fulfilling the needs and expectations of its customers and interested parties, and in achieving satisfaction with its products and services.

Scope:

This **Hindu Compliance System** describes the fundamental concepts and principles of quality for making dhoopa (incense stick) which are commonly used in all puja or rituals in sanatana hindu dharma. This standard will help organizations, businesses to create the sājyaguggulu dhūpa with right material and quantities mentioned in Hindu Scriptures which will create a holistic atmosphere and right alchemy in and around you. These blend of rare ingredients never before revealed to modern man makes your physiology experience higher dimensions and raise the quality and standard of life. This one is a favorite of Shiva.

Fundamental Concepts and Principles:

1. Following ingredients are proposed for making sājyaguggulu dhūpa
 - a. Guggulu mixed with ghee
