

IN RECOGNITION

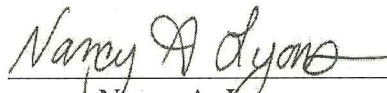

Diamond Bar City Council
is pleased to acknowledge

KAILASA LOS ANGELES

on the occasion of the end
of the period of Chaturmasya 2021

On this very special occasion, we proudly join in recognizing the many positive contributions made by KAILASA Los Angeles since opening a temple in 2007 in nearby Montclair. We are particularly appreciative for the exemplary response of KAILASA members to the COVID-19 pandemic by way of a steady stream of donations to local food banks and free online stress management programs that included yoga, meditation, and prayer events.
