

Message from His Worship Mayor Amarjeet Sohi

On behalf of the City Council and the people of Edmonton, welcome to the 2021 Kailasa Canada's celebration of Hindu Heritage Month.

As we continue to battle the COVID-19 pandemic, events like this are more important than ever. When we share our cultures, we're able to grow together and build a country that is strong, vibrant and connected.

This event brings Canadians together to celebrate the many significant contributions that the Hindu culture has made to our country. By celebrating our country's incredible diversity, we can experience the common threads that connect us across boundaries and borders.

I commend Kailasa Canada's ongoing work to support the Hindu community. And I want to thank the many people who worked together to coordinate this event, which provides connection, learning and recognition of this unique community's many achievements.

Enjoy the celebration.
