In the Year of 2021, we rejoice in the 44th Jayanthi Celebrations of The Supreme Pontiff of Hinduism, Jagatguru Mahasannidhanam, His Divine Holiness Bhagavan Nithyananda Paramashivam. I consider it a great honor to wish you an abundance of health, happiness and further enlightenment, which you share among the entire creation of the world.

Thank you for all the good you've done and what you continue doing to make this planet a better and safer place for all the living beings. Your unwavering will to help and your power of faith gives us hope and courage for the good deeds to be done also by our hands.

I myself help the helpless, discarded animals that I know are a gift from God and without whom we cannot imagine life on Earth. Please think about me sometime and all these helpless creatures and give us the power to continue our work and give us your blessing, in which we believe strongly.

Thank you and greetings from Slovenia,
