Nithyananda Meditation Academy
Hindu Heritage Month

As the Member of Parliament for Markham—Thornhill, I am happy to extend warm greetings to the Nithyananda Meditation Academy on the occasion of your virtual Hindu Heritage Month celebrations.

This month — and every month — marks a time to celebrate the great accomplishments of Hindu Canadians and the role they have played in Canada's vibrant and inclusive identity. It is events like this that help preserve the Hindu culture and heritage and teach the next generation about the rich Hindu culture. It is wonderful to see how the Nithyananda Meditation Academy continues to bring not only Canadians together, but also many more from around the world to help celebrate Hindu Heritage Month.

The Nithyananda Meditation Academy's resilience, passion, and dedication illustrate that Canada's strength is the diversity in our leadership, communities, and cultures. Our continued work together will help make our communities and Canada a place that every Canadian can call home.

Thank you to the Nithyananda Meditation Academy and the organizing committee for hosting such a wonderful virtual event. I wish all those in attendance a very happy Hindu Heritage Month!

Sincerely,

A handwritten signature in black ink that reads "Mary Ng".
