MESSAGE FROM THE MAYOR

On behalf of my council colleagues and citizens of the City of Kitchener, it is my pleasure to share my best wishes with everyone celebrating Hindu Heritage Month this November. I must extend my regrets as I am unable to join you virtually today to take part in your panel discussion – I trust you will have a fruitful and informative discussion.

The City of Kitchener, and the entire Waterloo Region, is home to individuals from all over the world, including many Hindu Canadians, and we are fortunate to have the opportunity to share in the rich cultural histories and heritage of all of our citizens. Our diversity and inclusivity are a large part of what makes the quality of life in Kitchener so rich.

As we celebrate Hindu Heritage Month, we must take this opportunity to celebrate all members of our Hindu Canadian community, as well as the contributions that they have, and continue to make to the fabric of Canadian society, including significant contributions in science, education, medicine, law, politics, business, culture and sports.

Please accept my best wishes for a prosperous and meaningful gathering today, and continued wellbeing as you celebrate the remainder of Hindu Heritage Month.

Namaste,

Berry Vrbanovic
~Mayor~
City of Kitchener
