Your Divine Holiness,

In the Year of 2021, we rejoice in the 44th Jayanthi Celebrations of The Supreme Pontiff of Hinduism, Jagatguru Mahasannidhanam, His Divine Holiness Bhagavan Nithyananda Paramashivam. I thank Your Holiness for your amazing contribution to our great Hindu religion and it's culture. You have reaffirmed your magnificent presence by creating a significant impact across the globe as the largest spiritual knowledge source on Hinduism and enriching and reaching more than one billion individuals over the past 26 years.

I have had the honour of rendering devotional music performances on a couple of occasions in the Divine Presence of His Holiness. I have also attended His early meditation program - The Ananda Spurana Program (ASP) in 2003-2004. His encouragement in preserving the rich heritage of Music, Dance and all forms of Art is truly a source of great inspiration.

Best Wishes

Yours Respectfully
